

# PRE-KINDERGARTEN

## Charlotte Small Elementary School

Did you that Charlotte Small Elementary School will have a Pre-Kindergarten language-rich, play-based program that has been designed to enhance each child's cognitive, physical, emotional, and social development?

This program is specifically geared for children with complex learning, medical or mobility needs. Children must be four years of age by December 31st and have one of the following to be eligible:

- Complex Communication Needs
- Significant Developmental Disorders
- Significant Social & Emotional Challenges
- Complex Medical Needs

The program will be taught by a certified teacher and supported by educational assistants. Additional support services are provided by a speech and language pathologist, occupational and physical therapists, and psychologist as required.

To inquire about eligibility for the program please call Mrs. Heide at the school at 403-729-3868.
