## 2024-25

### Student Registration

**Q: What do parents need to do?**

**A: If your student currently attends Charlotte Small and will do so again next year, or is going up to Grade 7 in David Thompson, nothing is required at this time.**

**Registration is automatically rolled over into next year, for the next grade.**

**In mid-September, WRSD administration will email parents a link to a digital "Re-Enrollment" Form, including FOIP and permission for walking field trips (like Terry Fox run, etc.) When this notice is sent to you, please complete it as soon as possible.**

**It is very important that we have up-to-date permission forms before students may participate in the Terry Fox Run.**

**It is also important that our medical information, school pickup information, and emergency contacts are all up-to-date here at the school.**

**If you have any questions, please call the office at (403) 729-3868**

## PLEASE

### PAY OUTSTANDING FEES!

Parents, please look at your account on SchoolCash Online and clear up any outstanding fees for the 2023-24 School Year!

# PRINCIPAL MESSAGE

## JUNE 2024

**Dear Students, Parents, and Guardians,**

**As we approach the end of another fantastic school year, it's time to pause and reflect on the incredible support we've received from our volunteers and dedicated School Council members. June is a month of gratitude and celebration, and we couldn't let it pass without acknowledging the remarkable contributions of these unsung heroes who play a vital role in shaping our school community.**

**Our volunteers embody the spirit of selflessness and generosity, devoting their time, energy, and expertise to enhance the educational experience of our students. Whether they're assisting in the classroom, organizing events, chaperoning field trips, or lending a helping hand wherever it's needed, their impact is immeasurable. Each smile they bring, each task they undertake, strengthens the bonds of our school family and enriches the lives of everyone they touch.**

**Likewise, our School Council members exemplify leadership and dedication, tirelessly advocating for the needs and aspirations of our school community. Through their collaborative efforts with parents, teachers, and administrators, they provide invaluable insights, support initiatives, and champion positive change. Their commitment to fostering a nurturing and inclusive environment ensures that every voice is heard and every child's potential is nurtured. Without the effort of these dedicated individuals, our students would not be able to participate in swimming lessons, there would be few field trips, and other "extras" would not be able to happen.**

**To all our volunteers and School Council members: THANK YOU! Your passion, commitment, and unwavering dedication inspire us all. You are the heartbeat of our school, and your contributions make a difference each and every day.**

**As we look forward to the summer break and the opportunities it brings for rest and rejuvenation, let's carry with us the spirit of gratitude and appreciation. Let's continue to honor the legacy of service and collaboration that defines our school community, knowing that together, we can accomplish anything.**

*Thank you!*

# Volunteers needed

If you plan on volunteering for school field trips and events, please ensure your criminal record check is up to date and submitted to the office.

**Criminal Record checks must be completed every three years.**

In order to transport students (other than your own) to a school event, a 5-year driver's abstract must be submitted to the office every year.

Please contact the office for more information.

School Council meeting minutes are available on the Charlotte Small Elementary website.

Parent Council minutes are available to view any time at the school office.

**Nut allergies are a serious concern for some of our students who have potentially life threatening allergies. We need your support and cooperation in making a reasonable effort to send food to school which does not contain nuts.**

**Please speak with your child about not sharing their food with other children. We will continue to ask our students to eat their lunches in their classrooms and to not take food outside.**

**For all things busing  
please call  
Prairie Bus Lines @  
403-845-4255**

The top of the image features a stylized illustration of ocean waves. The water is a light blue color, and the waves are depicted with white, bubbly foam. Below the waves is a layer of golden-yellow sand, which is decorated with small, scattered dots in various colors, including brown, white, and blue. The overall background is a warm, golden-yellow color.
