SEPT. 8 & 9**

ECS A and Grades 1-6 will have school photos taken on Sept. 8.

ECS B, Pre-K, and anyone who missed Sept. 8 will be photographed on Sept. 9.

Pre-K parents, please plan to stay with your child until they have been photographed on their first day.

ALLERGY AWARENESS

This year, we have students with severe, life-threatening allergies to nuts. For these students, exposure to nuts — whether through ingestion or contact with surfaces contaminated by nut products — can result in a serious and potentially fatal allergic reaction.

In order to provide a safe and inclusive learning environment for all students, we are asking for your cooperation in the following ways:

- **Students in ECS, Grade 4, and Grade 5 should not bring any food items containing nuts or nut products to school.** These classrooms have students with known severe allergies, and it is essential we maintain a nut-free environment in these spaces.
- **For students in other grades, we ask that families avoid sending nut-containing items whenever possible.** If your child does bring a food item that contains nuts, we ask that you notify their teacher, so appropriate precautions can be taken (e.g., handwashing, avoiding shared surfaces).

Additionally, we have a student with a severe allergy to horses. We ask families to be mindful of clothing or belongings that may have come into contact with horses. This includes horsehair on jackets, backpacks, and footwear.

We appreciate your continued support and understanding as we work together to make Charlotte Small Elementary a safe environment for all children.

Principal Message

September 2024

Welcome back to a brand-new school year!

September is always an exciting time as we gather together with fresh energy, new goals, and the joy of seeing our students fill the hallways once again.

This year, our focus is on building community. A strong school community is created when students, staff, and families feel connected, supported, and valued. Together, we will work to create a school where every child belongs, where kindness is practiced daily, and where learning is a shared adventure. I look forward to partnering with each of you as we make this year one of growth, connection, and community.

Warmly,
Ms. Kalev

GRADE 6

We are very happy to let you know that we will be going on the annual Grade 6 field trip to Camp Evergreen (just south of Sundre) on September 16-17th (overnight) – yes, in just a few short weeks! We will need parent volunteers for both overnight stays in the cabins and/or during the day for this trip please! If you haven't already done so, please remember you must have your Criminal Record Check prior to volunteering.

More details will be coming home with your child on the first day of school. This includes permission forms, trip details, volunteer sign up, etc.

Thank you and we hope to see you there,
Mrs. Spencer, Mr. Whitecotton, Mrs. Whitecotton

2025–26 Student Registration

Q: What do parents need to do?

The first week of school, WRSD administration will email parents a link to a digital “Re-Enrollment” Form (Demographic Form), including FOIP and permission for walking field trips (like Terry Fox run, etc.)

When this notice is sent to you, please complete it as soon as possible.

It is very important that our medical information, school pickup information, and emergency contacts are all up-to-date here at the school.

This form must be complete before students can participate in the Terry Fox run.

If you have any questions, please call the office at (403) 729-3868

Please

As much as possible, please make arrangements with your child for the end of the day in the morning, before they leave for school. Please

communicate with teachers directly if children are to be picked up by someone out of the ordinary, ride a different bus home, etc.

If you need to make last minute arrangements,

please call the office by 2:00 pm.

This allows us time to get your message to your child.
